

As a local resident here in Glenwood Springs, CO, I love to listen to Klove. I would terribly miss it if it were replaced by a different program. My son and I listen to it as were getting ready every morning, and when we travel anywhere. It would be a huge disservice to the public if KLove wasn't on the air, due to it being replaced by a LPFM broadcaster. My son and I need our KLOVE!!
Sincerely, Angela & Solomon God Bless
